

# CAN'T BE PATIENT

SOME TIME LATER

Abraham, we have to do something!

What do you mean?

Listen, we cannot have children on our own, but here it is legal to have a second wife.

Hagar, one of my staff members would be willing to conceive a child by you, that we could raise as our own.

SO ABRAHAM IS SLEEPING WITH HAGAR

Hey Sarah, I am pregnant.

That's great, Hagar.

Well, didn't work well in your case. Whatever... Not everyone is born to be a mother.

LATER

Abraham, I can't stand it anymore.

Ever since Hagar is pregnant she is mocking me and treating me like dirt.

Well she is your staff member. You decide how to deal with her.

SOME  
TIME  
LATER

What's going  
on there?

Isn't that  
Hagar?!

Bah

Bah
